

FIS Personal Statement Requirements

All applicants should apply a personal statement that addresses the following questions:

- Why do you wish to pursue graduate studies in Forensic Science?
- What is your present concept of Forensic Science?
- What are your academic goals in the M.S. program?
- What are your professional goals and employment objectives?

Additionally, the personal statement must indicate which faculty member in the FIS department you would most like to work with and the work you would most like to do; please also indicate your second choice if you are not able to work with this faculty member. Information of faculty and their research interests can be found [here](#).
